

REMARKS

Status of the Claims

Claims 1-15 have been allowed in the present application. This amendment merely corrects certain typographical errors that were present in the Reply filed on September 22, 2005.

The Examiner's entry of this amendment is respectfully requested.

In claims 1, 2, 3, and 5 a number 0 was present in a chemical formula rather than the intended letter O.

In claim 8 the letter O was present in a chemical formula rather than the intended number 0.

In claims 5-15 : "light sensitive" has been amended to: "light-sensitive" in order to be consistent with other claims.

In claims 6 and 9 "R11" has been amended to "R11." (The letter "l" has been replaced with the number "1".)

Claim 8 was previously dependent upon claim 4, and was amended in the last Reply to become independent. This was done following the Examiner's suggestion on page 5 of the Office Action dated March 22, 2005. Claim 8 is currently amended to make the language of the preamble consistent with that used in claim 4. The amendment is purely editorial and does not change the scope of the claim.

The Applicants thank the Examiner for consideration of this amendment, and respectfully request entry thereof.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.
